## **INSTRUCTIONS**

Per KRS 224.01-010, Municipal solid waste is defined as "household waste and commercial solid waste". "Household solid waste" means solid waste, including garbage and trash generated by a single and multiple family residences, hotels, motels, bunk houses, ranger stations, crew quarters, and recreational areas such as picnic areas, parks and camp grounds, but it does not include tire derived fuel". Furthermore, "Commercial solid waste" means all types of solid waste generated by stores, offices, restaurants, warehouses, and other service and non-manufacturing activities, excluding tire-derived fuel and household and industrial solid waste". The application that follows is for **municipal** solid waste transporters only. For other types of solid waste permits, please contact the EEC Division of Waste Management at (502) 564-6716.

### **NEW APPLICANTS:**

New applicants must complete the form 'APPLICATION FOR THE LICENSE TO OPERATE MUNICIPAL SOLID WASTE TRANSPORTER VEHICLES' (Form TC-18) **and** the 'APPLICATION FOR KENTUCKY SOLID WASTE TRANSPORTER VEHICLE IDENTIFICATION CARD' (Form TC 95-41). If the state of license is Kentucky, the current license plate number **must** be listed on the TC 95-41. The vehicle fees for a new license are prorated. A renewal form including instructions will be mailed to each licensed Municipal Solid Waste Transporter prior to the expiration of their current license. Future additions of vehicles must be submitted on a TC 95-41 form. You may find it convenient to maintain a copy of this form for future use. Current year additions are prorated, so please refer to the fee schedule on the TC 95-41 form.
